OFFICE NOTE.

SUBJECT. Exemption from Mohatarfa ~~Shop~~ tax levied on Shops built by Ramachendra (Rao, Revenue Deputy Accountant of the Tumkur Dy Comr's office at Tumkur) for the benefit of his chattram at Tumkur

LATEST REFERENCE. ~~Petn~~ ~~Letter~~ No. 2843 dated 27th April 1895

from T. Ramachendra Rao, son of Shama Row, residing at Tumkur

—

More than 50 years ago, one Shama Rao built a chattram at Tumkur on a site granted to him by the then authorities and his son Ramachendra Row (now the Revenue Dy Collr of Tumkur) built ~~a choultry for the benefit of the chattram~~ a line of shops facing the Bangalore Shimoga road, on the site granted to him in Govt Proceedings dated 11th November 1889 c/o $\frac{6235}{206}$ on the condition that the rent obtained from the buildings was utilized for the benefit of the chattram referred to.

(2) Ramachendra Row applied to the Dy Comr of Tumkur for exemption of shop tax on the recently built shops, but was told that there was no rule to comply with his request. Against this order, he appealed to Govt on 4th March 1894 and prayed for exemption in consideration of the said shops having been built for the benefit of the chattram, on the ground that similar buildings do not

below enjoyed exemption

(a) (1) 9 shops attached to the chattram at Tiptur built by the late Sri Narasimmangar and (2) shops attached to the temple of Lakshmiramanaswamy at Tumkur — Pro. Dy 261 No 660/140

(b) Temple Shops built by Chandapanda Renga Chariar at Paschimavahini in the Sirungapatam Taluk — Comp. etc 1313 Dy 61

(c) Market stalls built by one Sanchiyamma of Patnayakanahalli, Sira Taluk for the maintenance of the Temple of Sira — No 1178-79 Dy 8/5/88. 50

(3) The above petition having been referred to the Dy Comr of Tumkur for report, he replied that if instances of the kind were multiplied, the Municipal revenue would necessarily become straitened and lack of funds for sanitary purposes would result, that if Ramachendra Rao's prayer is granted, the shops built by late Panchanatha Row for the benefit of his chattram in the vicinity of that of Ramachendra Rao, would have to be exempted and added that the loss charged on the lines of shops attached to the chattrams (Ramachendra Rao and Panchanatha Rao) amounting to Rs 181 and 420 respectively were paid by the traders occupying them and not by their owners. Thereupon it was remarked + etc 7556 Dy 4/11/94 P 744 94 that, ~~under the circumstances stated~~, it did not appear what right the Petitioner, as the owner of the Chattram had, to claim exemption on behalf of the shop keepers.

(4) As no Endorsement was given to Ramachendra Row in reply to his petition, he again petitions the Court on the following grounds

(1) That there are no funds of any sort to meet the cost of maintenance of his chattram and that his pay (Rs 40) is small

(2) That one De a endowed the ~~charity~~ his own Seerumanyam and other lands for the benefit of the chattram under a registered deed dated 10

(2) that one Gangamma built the shops at her own cost and endowed them and her ceded lands as well as the income therefrom, for the maintenance of the chattram under a deed dated 10/12/9

(3) that in Para 3 of the Proceedings dated 11/11/89, sanction to the construction of shops was accorded on the condition of their income being utilized for the benefit of the chattram

(4) and that the orders contained in Proceedings of 11/11/89 and 14/11/94 are contradictory to each other

(5) Petitioner therefore prays that the Choltry tax hitherto collected from him contrary to the orders of 11/11/89 may be ordered to be refunded to him.

The precedents quoted above (b) & (c) as well as 2 in (a) mentioned in para 2 of the memo do not apply to the present case, as Paschimavahini and Patnaikhally are not municipal towns and shops at Tumkur were attached to a Temple at Tumkur and not to a chattram. The case of shops attached to the Chattram at Tiptur belonging to the late Sri Gavarasimenga and exempted from taxation under Govt Pro Dy 26/11/83 No $\frac{6606}{140}$ is similar to the present case. The grounds set forth by the Dy Comr for exempting the shops at Tiptur were

Sir

Adverting to Govt. Proceedings No. 1226/87 of the 18th May 1889 sanctioning the grant of certain land to Mr. Punchanatha Rao, Assistant Commissioner, I have the honor to submit an extract from the Proceedings of the Municipal Board under date the 15th Instant, and to solicit the Sanction of Govt: to the Modifications suggested therein, which are necessary for the preservation of the Kunigal road, and the Conservancy of the Balantrutha Tank. The proposal to allow Ranachunder Rao to build a row of shops on his land which adjoins the plot granted to Mr. Punchanatha Rao, is one which will also tend to improve the whole of that locality, and is therefore recommended for Sanction.

Sir

I have the honor to state for the information of the Dewan that there is a small extent of open ground on the northern bank of Balankatte reservoir and the conservancy of this bit of ground measuring as denoted in the margin has become a necessity of great importance on sanitary grounds. A portion of this ground measuring 62 feet has already been given to Ramachendra Row proprietor of a local Chattram and he has been exercising rights of ownership on it for the last 15 years. The whole ground has been promiscuously used as a bandy stand without any enclosure & without proper drainage, the result being that the water of Balankatte reservoir is spoiled and the ground also becomes slushy emitting bad smell. It has been therefore found necessary to prevent the use of this ground as a bandy stand, and with this object I have directed Ramachandra Row to set apart a portion of his back ground for the bandy stand of only such travellers as come to his Chuttram, the others going to the Municipal Cart stand which will be opened in a wired enclosure near the old Market. The front ground which has hitherto been in the enjoyment of Ramachendra Row will be continued

Proceedings of Government dated 10th May 89.

(2) Letter from the Deputy Commissioner Tumkur dated 21st October 1889 No. 313.

Order thereon $\frac{6235}{206}$ Dated Bangalore 11th Nov: 1889.

In the proceedings read above a plot of ground measuring 15 6 7 Sq Yards to the South of the Balankuttay Tank in the Tiptur Municipality was sold to Mr. Punchanatha Rao for Rs 95-5-0 for the Construction of a Chattram.

(2) The Municipal Board of the Town now state that the Kunigal road runs through a portion of the land granted and recommend that portion may be excluded from the grant, a corresponding area to the east of it together with a well which is situated in it being granted in lieu, provided Mr. Punchanatha Rao is willing to construct another well for the use of the publics at his own cost &c The Govt: has no objection to the arrangement proposed. If Mr. Punchanatha Rao does not consent to dig a new well, the existing one must be left open for public use.

(3) The Municipal Board also recommend

to him and he will be made to have a nice flower garden there. Deducting this strip of ground there will remain another block out of which a portion 62 feet will be reserved for a wide path way to Balambatte. In a large & growing town as Tumkur it seems desirable to increase the accommodation for travellers and having this object in view I have induced Mr. Panchanath Row Assistant Commissioner who owns a large house in the Town and is otherwise interested in its well being to come forward and build a Chattram at one end. He has agreed to do so economically & decently and the plan proposed by him is to have a suit of a few rooms for respectable travellers, a couple of shops for provision merchants, and a small enclosed cartstand for such of the travellers as come to the Chattram. The arrangement seems to me to be very good and the building itself will while closing up the space which at present is an unsightly receptacle of rubbish, affords means of good & respectable accommodation to travellers hereafter. None of the Municipal Commissioners to whom I have shown this letter have any objection to this arrangement and I beg to recommend that the early sanction of the Dewan may be obtained. The ground belongs to Government though in a Municipal town and if so directed I shall submit a draft summud for the signature of the Dewan. Mr. Panchanatha Row is willing to pay an upset price and buy the ground and

mend to allow Mr. Ramachendra
the owner of the land situa-
ted to the East of that granted to Mr
Punchanatha Rao to build a line of shops
facing the Bangalore Shimoga Road, as the
construction would improve the locality, which
is now unoccupied and dirty. This land on which
permission to raise the buildings is solicited,
appears to belong to a Chattram and the Govt.
will have no objection to sanction the proposal
if the owner is willing to appropriate the
rents obtained from the buildings for the bene-
fit of the Chattram. ——

This land, on which the permission to erect the buildings is solicited, appears to belong to a chattram and the Govt will have no objection to sanction the proposal if the owner is willing to appropriate the rents obtained from the buildings for the benefit of the chattram.

It will be of great use for the merchants who attend the weekly market and such a permanent shelter will be a stimulus for the weekly market to become a permanent institution. At the same time it will be a source of income for the management and maintenance of the Temple. It is the earnest wish of Somé Linigama that the market he builds should not be subjected to Mohaturfa tase and I heartily support his prayer. The Government can well show its appreciation of the charitable deeds of Somé Linigama

Endorsement granted to V. Ramachendra Rao son of Shama Rao residing in Tumkur

in reply to his Petition Registered No. 2863 / 2367 dated 27 April 1895

praying that the shops attached to the Chattram built by his father at Tumkur may be exempted from Mohtarpha tax.

Petitioner is informed that the Govt. deem Sufficient Grounds to grant the exemption prayed for, if the tax is, as reported by the Dep. Comrs., paid by the Shop-keepers themselves who make a profit by selling articles, it does not appear what right the petitioner, as the owner of the Chattram has to claim exemption on behalf of the Shop-keepers.

of the Chattram. This was granted (in Government order No. 6235/206 of the 4th November 1889). His prayer now is that the Mohaturfa tax put on the shops should be remitted, as the shops have been built for the benefit of the Chattram. He says, in support of his prayer, that the shops similarly built on a portion of the lands granted to the late Mr. Narasimhaiengar at Tiptur for a Chattram, have been exempted from the Mohaturfa tax, as also the shops built on the premises of the Lakshmikanta Temple at Tumkur, on the ground that those shops were constructed for the benefit of the said charitable and religious institutions. He also refers to the remission of the Mohaturfa tax on the shops erected on the lands of a temple established by one Sonne Linganna in the village of Pattayakanahalli in the Sira Taluk. It is true that these exemptions have been made (Vide the Government orders noted in the margin). The petitioner further refers to the exemption from the Mohaturfa tax of the shops built by Andapuram Rangachar at Paschamavahini in the Srirangapatna Taluk of the Mysore District on the land granted to him for a Chattram.

there was no rule to comply
It is upon that order that
he has now appealed to Government.-

4. These are the facts of the case. I may perhaps submit that if instances of exemption are multiplied, the Municipal Revenue will necessarily become straitened, and lack of funds for sanitary purposes will result. If the petitioners shops be exempted from Mohaturfa, the shops similarly constructed by Mr Panchanatha Row on the premises granted to him in the same vicinity for a Chattram, will, perhaps, have also to be exempted. The tax on the shops of the petitioner amounts to Rs 181—"—". That on those of Mr. Panchanatha Row is Rs. 42—"—". Moreover this Mohaturfa (shop) tax is paid by the traders occupying the shops.-

5. The enclosures of the Memorandum under reply are all herewith returned.-

I have the honor to be,
Sir
Your most obedient servant

Deputy Commissioner
